

**MEN'S RETREAT
APRIL 9 THROUGH APRIL 11, 2010
ST. ANDREWS HOUSE RETREAT CENTER**

Our reading for the retreat will be "The Shack", by William P Young, a book that uses a story to explore some of the basic questions of the Christian faith as well as introducing creative concepts about God, Jesus, and the Holy Spirit. Reading it will also give us an occasion to consider the ways in which religious stories of all sorts, including not only the parables of Jesus but also, perhaps, the narratives of the gospels themselves, use imaginative fictions to find a way to think about what lies beyond our possibilities of knowledge and even sometimes beyond our possibilities of imagining.

Our discussions will allow each of us to present a chapter and invite open conversation.

Cost is \$185.00 per participant, add \$10.00 if you want St. Andrews House to provide bedding. A limited number of scholarships are available for those who need financial assistance. [Return the following form to St. Stephen's 4805 NE 45th Street, Seattle, WA 98105 with your payment, or send electronically to Tom Boyns 206-525-2456, tboyns@hotmail.com . Directions, retreat materials, further communications will be provided. If you need a copy of the text, call Tom and he will order them so they are available before March 1st, at \$6 per copy.]
